**10K:**

Rob Bright presented the proposed route which has an extra bit in Snodland to make up the extra distance that allows for the race to start in Bellingham Way and to finish on the playing field next to Larkfield Village Hall. Some discussion over the route was had but Rob said that this really was the best solution and therefore it was left to Rob to finalise.

Mark Weber has notified KCC but has still to contact TMBC and the Police.

Goodie bags were discussed and it was decided to not have an actual bag but to give out the medals on the field at the end of the funnel and have tables set up for the fruit and cake.

Mark Weber / Duncan Scott to email the club to get people to volunteer for marshalling.

Mark confirmed we had approx 70 entries so far.

It was agreed that Larkfield runners who volunteer to marshal but would like to run can enter on the day for ½ price providing there is enough marshals.

Rob & Jane Bright agreed to do the timing and Ravi will do the results.

Rob Bright to source a race clock for the day.
