What to give finishers was discussed – Sally tabled a technical top but will be too expensive.

Technical towels were also discussed as a possible finisher's memento.

Social secretary update:

Alison has suggested the following future social events:

Comedy night at Flaming Henry's in Maidstone
Ice skating
Post marathon party

Night at the Bull in West Malling is to be arranged for Friday 13th March. This coincides with the end of the beginners 10 week training programme. Mel to invite the beginners group along.

Other Business:

The introduction of a youth group was discussed but deemed too bigger commitment for the club to take on at the moment.

Having a press coordinator was also discussed but the committee thought that this wasn't necessary at this stage. Rob Bright provides the Kent Messenger with the KFL race reports.

It was agreed to find an alternative venue for future committee meetings. Rob Day to book and advise venue for next meeting on 3rd March.
