**10K:**

TMBC have confirmed the road closures and Kent Police are also OK.

Mark will collect the keys to the various gates the day before to check they are all OK.

Rob still has to measure the course with finish probably behind the centre.

The Red Cross cannot cover the event; Mark has therefore contacted St Johns to see they can help. It was also suggested to email the club to see who has current first aid qualifications.

The club also still needs to be emailed to ask for marshals and also for volunteers to bake cakes. Approx 30 cakes will be required.

Sally plans to sell off the remaining 2008 10K t shirts for charity.

Steve Groom will contact Duncan reference marshals, Josh reference bottled water and Steve Holden reference fruit.

An additional meeting has been planned for Tuesday 12<sup>th</sup> May to follow up on final preparations.

**Social update:**

Alison to email the club with latest social news.
