Christmas Party:

75 people have paid deposits so far, however we need 90 people to guarantee exclusive use of the venue. Alison will speak to the venue to see if it is possible to get exclusive use with 80 people.

Holly Hill:

Several possible dates were discussed. The 5th December was the only available date that avoided holiday periods and clashes with other races. Alison will organise and email the club advising the date.

Plans for AGM, date & venue:

The AGM will be on Tuesday 10th November at Brookfield School in Larkfield. Rob Day will complete the forms required by the School to complete the booking.

Rob Day to email the club reference anyone's interest in standing for the committee in 2010.

Training days:

Kent squad training days - Alison to speak to Janice reference opening up training days to our club. Dave to email the club to see if anyone is interested in taking up this opportunity.

London Marathon places:

Rob Day has applied for the club places for the 2010 race. The draw will take place at the AGM. The normal rules will apply.

Track sessions:

The possibility of holding our Thursday night training sessions at a local track was discussed. The best venue from both a location and availability point of view is Deangate. It was suggested that holding Thursday night training there once a month will be very beneficial particularly during the winter months as the track is flood lit. Neil Clark will email the club to gauge interest and report back at the next committee meeting as to whether we proceed.

Club championship:

It was decided to leave the club championship scoring system unchanged for 2010.

Next meeting Tuesday 6th October 9pm at the Wealden Hall.
