

Welcome new Lark member

I hope you are enjoying everything our wonderful club has to offer. I just wanted to introduce myself as club Kit Secretary. My name is Alison and I have been a member of the club for 6 years - hopefully I will meet you at one of the club sessions very soon if we haven't already met.

If you have attended any of our sessions you will probably have already seen club members wearing a variety of our club kit.

We have three 'types' of kit:

'Race' tops (white with yellow/navy stripes)

As the name suggests, these are worn when members are competing in races for the club. We always encourage runners to wear a club vest when competing, not least because of the cheers our spectators will give you when they recognise the vest!

The tops are available as a vest (£17) or short-sleeved tshirt (£19.50). I keep a stock of these in most sizes so you can just contact me if you would like to order one. Long-sleeved tshirts are available but I would have to order these if there is sufficient demand.

'Training' tops / other clothing (plain coloured – either navy, yellow or white)

This includes a wide range of running tops/shorts/trousers which can be worn for training sessions as well as hoodies, jackets, hats and bags.

The full range of items available can be seen here <https://pbteamwear.co.uk/collections/larkfield-ac>

We don't hold stock of these as there are so many options, but I place an order on behalf of club members approximately every other month – there will be a post on the Facebook group with all the details. You can add any items you might want to order to the post or can send me an email or Facebook message with details of what is required.

Orders are planned for end of January/March/May/July/September and for mid-November (to allow extra delivery time for Christmas).

There may also occasionally be odd items of old-style kit or unwanted orders that will be offered for sale from stock – details of these will be on the order post.

Cycling/Triathlon Kit

This includes tops, bib shorts and tri-suits with Larks colours and branding.

This kit is made to order and we don't hold stock of it. Orders will be placed periodically from www.kalas.co.uk (the frequency will depend on how much interest there is as there are minimum order requirements) – there will be a post on the Facebook group whenever an order is being placed.

Prices were as follows in March 2023

Short sleeve, long zipper top £47.40

Short sleeve, short zipper top £43.80

Long sleeve top £56.40

Bib shorts £54.60

No bib shorts £50.40

Tri suit £118.80

I hope that explains a bit more about the kit we can offer. If you have any questions, please do contact me!

My email address is nicandalison@blueyonder.co.uk or you can send me a message via Facebook

Payments for any kit order should be made to the Larkfield AC bank account before any orders are placed or collected.
